

Week 6 Term 3 2019

Tena Koutou Katoa,

This week we welcome Taya and Mila Paweai-Robinson, Hamish Kemsley, Hugo McLeod, Tom Harper. Well done brave people on making such a positive start to school.

### Rex Graham Cup

Last Friday the Rex Graham Cup took place for the 29th year. Over the past couple of years we have introduced similar fixtures with Greenmeadows and Parkvale schools, however there is something about this local derby. The children were noticeably more fired up for this encounter. As it turned out, the cup was shared this year. HNPS took out the netball and rugby comfortably, going down in the hockey and football by narrow margins. We were incredibly proud of all of our kids and the effort they put in. A special thank you to the coaches who have worked tirelessly with these kids over the season. Well done and a thank you to Te Mata School for hosting the event this year and to Mrs Cooper and her team for coordinating a great event for our students.

### Out and About

#### Clockwise from top left

Year 1 students learning through play, Chris from Pipi demonstrating to Room 15 how to make a pizza, one of the students finished products and Year 6 students practising for the Tournament of the Minds competition which takes place in Palmerston North this weekend.

### **Cross Country**

A reminder this annual event takes place tomorrow at school. For further information please refer to the newsletters sent home prior by your child's teacher. We would like to wish all the students luck for tomorrow and we look forward to seeing a good number of you in support.

### **Relationships**

This is the value we are focusing on at school until the end of this term. Some of the key messages are around kindness, bucket filling, saying sorry if you upset another person and looking out for others. It always helps when those messages are relayed at home too. Thank you!

Have a great week everyone.

Regards  
Nick Reed  
**Principal**

### **Daffodil Day Collection for the Cancer Society**

On Friday 30th August, it is the national Daffodil Day appeal to raise money for the Cancer Society to help people with cancer. Havelock North Primary will be holding a coin trail around a daffodil drawn on the concrete outside the school office. If you would like to donate to this special cause, could your child please come along with a gold coin and be part of our coin trail. This is not a mufti day. Thanks for your support with this.
